

Landscape Cleanup

We can quickly and easily turn this.....

into this!

An easy way to improve your property's value and impress the neighbors

- Hand pull and dig weeds
- Cut back, clean and prune unsightly plants and shrubs
- Cleanup bed edges for a neater look
- Reset existing "hard" edging to look new again
- Deadhead and stake perennials
- Clean UNDER existing plants; remove twigs, leaves and other debris from beds and yard
- Firm bid with a detailed scope of the project
- Optimize your property's strengths to give you the feel of a new landscape at a much more affordable price
- Overall property assessment included in every bid
- Freedom to do the gardening you LIKE to do, or NO GARDENING AT ALL
